## WELCOME TO HEALTHCARE INTERNATIONAL

As a specialist provider of private medical and related personal insurances, we have the experience and global knowledge to give peace of mind to the global traveller.

### TRAVEL INSURANCE AROUND THE CLOCK, AROUND THE WORLD

Emergencies and accidents are never welcome – and if they happen when you are away from home, they come with an extra level of stress.

If you are travelling anywhere in the world, alone or with your family, for pleasure or on business, we can make sure an incident never becomes a crisis.

With our Annual Worldwide Multi-Trip Travel Insurance policy, we can help with such occurrences as a medical emergency, a missed flight, or a lost passport. All it takes is a single call to our emergency helpline - and we will do the rest.

### WHAT DOES IT COVER?

Our Annual World-Wide Multi-Trip Insurance covers most problems that you may encounter and will cover you and your family, whenever and wherever you are abroad.

### OPTIONAL EXTRA

Extreme pursuits, including most winter sports, scuba-diving, horse-riding, etc.

### HOW MUCH DOES IT COST?

A single premium costs as little as \$/£/€ 197 per adult aged 18 up to 64 years of age, \$/£/€ 394 per adult aged 65 up to 74 years of age and \$/£/€ 127 per child (including IPT).

This will cover you regardless of your nationality. You are covered for as many trips abroad each year you may wish to take, up to a maximum of 90 days per trip.

Adults can travel independently, but children under the age of 18 must be accompanied by an insured adult.
